

CELEBRATING GOD'S FAITHFULNESS...PAST, PRESENT, AND FUTURE

Thousands of people have heard the Good News of Jesus Christ and received tangible help over the past 40 years

1982-1986

Judy continues on with the ministry after Charles' death with good friends, Bobby and Dot Chance.

1985
Kidz Klub began reaching children in the neighborhood

1983

Opened a center called the Oasis to serve the runaway population. Every Friday and Saturday night, there were live bands and free food that was served at the tables, restaurant style. Oasis loved on hundreds of kids and ministered to them.

1982
"We bought the Ivar building and since we didn't have a dollar left, Ron began remodeling by faith with a few volunteers. Literally, we prayed 'God give us this day our daily plumbing' until it was totally re-plumbed. We did that for the electrical, sheet rock, fire sprinklers, etc. until the building was finished."

1984

Began SOS Hollywood, an outreach with hundreds of people attending through the years. Thousands participated in the block parties with free food, entertainment, and the Gospel.

Oasis Provides a Safe Hangout for Hollywood's Urban Youth

1994

Transitioned to a teen club for neighborhood youth on Friday nights because there were so many gangs at that time and teenagers needed a safe place to hang out with their friends, and have fun. It became our "fishing time" because our goal was to see them come to Jesus. Another night, we began a time for discipleship.

1994

Built dorms to house 44 people and started Urban School of Evangelism. Over 6,600 people have been equipped, trained, and given the opportunity to share their faith all over Los Angeles.

Many years ago we started to do special events such as backpack and school supply give aways, Thanksgiving turkey and Boxes of Love, Adopt a Family, Christmas gifts for marginalized kids, camps, and field trips.

1985

Judy had a dream of "rescuing the drowning children."

1986

Ron and Judy get married. They partner together in working as a team.

A PERSONAL NOTE FROM RON AND JUDY

We want to personally invite you to Oasis of Hollywood's 40th Anniversary celebration. It's really a night of celebrating God's faithfulness - over the past 40 years in Hollywood and 47 years as a non-profit/ministry.

When we first came to Hollywood in 1979, we walked the streets meeting so many run-away teens and girls being trafficked (although that wasn't even a term used at that time).

However, after many years of ministering to the brokenhearted, God gave me (Judy) a dream "to rescue the drowning children." For the past 30 years we have been doing "preventive work" by *Encouraging Hope...Inspiring Faith...and Developing Potential* in thousands of marginalized children and teens.

We have always had a heart to encourage other Christians in sharing their faith. We have hosted, trained, and given opportunities to over 6,600 people in doing a week long mission trip with the goal of them going back home to reach their schools and communities. None of this would have been possible without God's faithfulness and His faithful people through the years of praying, serving, and supporting this much needed ministry. Our hearts overflow with thanksgiving for each of you who have such big hearts and vision to see the next generation reached.

Please join us as we rejoice in God's faithfulness for all He has done in the past 40 years, what He is doing currently, and for what we expect Him to do in the future.
